Massachusetts law requires that a 6.25% sales tax be charged on all rental items, including but not limited to tents, tables, chairs etc. There is an 18% administrative fee (on all food, beverage, and service) which covers expenses incurred to produce your event including, but not limited to, labor, logistical planning, administrative costs, trash removal and recycling, and liability coverage. This administrative fee does not represent a tip or service charge for the staff on site for your event. However, the staff on site are not paid as service employees and are well compensated for the work provided and the lead staff onsite do receive additional compensation.
